

## GLOBAL EUROPE:

### EU funded projects supporting businesses to look beyond the EU and internationalize

**Webinar, 30 November 2021 – 10:00-11:30**

The Global Europe webinar brings you key projects funded by the European Commission that support your European business directly to your home office! Join this online session and discover how you can seize international opportunities for your organization or EU business!

During this webinar you will learn how to access EU-funded, effective, free, and professional services that will kickstart your internationalization to critical markets such as Latin America, China, India, Turkey, and Eastern European countries. Whether it is about exporting your goods and services to other markets, technology transfer– join us and get your answers.

The Global Europe webinar supports EU SMEs and business support organizations to make their mark in global markets. This webinar is organized by EUROCHAMBRES in conjunction with the Czech Chamber of Commerce and Industry and co-funded by the Latin America IP SME Helpdesk and the EU SME Centre (China).
